

PRESIDENT
THE SOCIALIST REPUBLIC OF VIETNAM

Ha Noi, February 1st 2015

To: His Excellency Ader Janos
President of the Hungary
Budapest

Your Excellency,

On the occasion of the 65th anniversary of diplomatic relations between the Socialist Republic of Vietnam and the Hungary (February 03rd 1950- February 03rd 2015), on behalf of the State, people of Viet Nam and in my own name, I would like to extend my warmest congratulations to you and the people of Hungary on this historic event in our bilateral relations.

Despite the geographical distance between Viet Nam and Hungary, our two peoples always enjoy valuable friendship. This is a good foundation for our traditional friendship and multifaceted cooperation to grow strongly over the past 65 years. Through ups and downs of the history, our relations have been built on the basis of mutual trust, respect and support to overcome challenges and practically contribute to the national construction and development of each country.

I note with satisfaction that the exchange of delegations at all levels has been maintained regularly and our two countries have in fact developed effective cooperation mechanisms. The Inter-Governmental Committee on Economic and Trade Cooperation has also put forward specific proposals to accelerate the implementation of important projects. I believe that with the will and determination of the high-level leaders together with the joint effort of our two peoples, the traditional friendship and cooperation between Viet Nam and Hungary will grow strongly in all areas, in the interest of our people, for prosperity of both countries, for peace and stability in the region and the world.

I would like to take this opportunity to wish the people of Hungary greater successes in the course of building a beautiful and prosperous Hungary.

I wish you the best of health, happiness and success in your noble position

Please accept, Your Excellency, the assurances of my highest consideration.

Truong Tan Sang
