Dear President,

Allow me to congratulate you on your recent re-election as President of the Republic of Hungary and to wish you continued success in your responsibilities.

The continuation of your duties comes at a challenging time for the Alliance. We have to respond to significant changes in our security environment and to increasing instability both to our East and South. We need to continue to invest in our security and to implement the important decisions taken at the Warsaw Summit last year.

Hungary is playing an important role in this respect. Your contributions to NATO's common efforts and operations are highly appreciated. I am confident that this will continue during your second term.

I look forward to discussing these important issues in further detail during my upcoming visit to Budapest.

Yours sincerely,

Jens Stoltenberg

His Excellency
Mr János Áder
