

Washington D.C.

August 20, 2018

Dear Mr. President:

On behalf of the people of the United States of America, I send warm congratulations to the nation of Hungary today, August 20, as it celebrates the foundation of the Hungarian state. This is a day which not only honors the legacy of St. Stephen and the unity he built for his country, but also the principles that our two countries share.

The United States deeply appreciates Hungary's commitment to global security and economic prosperity and values it as a member of the transatlantic family of nations. We look forward to many more years of mutual cooperation and understanding between our two countries, and to Hungary's continued dedication to upholding Western values and advancing regional and global security.

Sincerely,

/s/

Donald J. Trump

His Excellency

János Áder,

President of the Republic of Hungary,

Budapest, Hungary.
